

Annual Crime Report

CBS communicates campus security statistics in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Campus crime, arrest, and referral statistics include those reported to CBS campus security as well as designated campus safety authorities. This report includes statistics from the previous three years for specified crimes reported on campus and on public property within, or immediately adjacent to and accessible from the campus. This report also includes institutional policies concerning campus security, alcohol, drug use, crime prevention, the reporting of crimes, and other matters.

Crime Report

Whether you are a current or prospective CBS student, faculty, staff, or simply a visitor to our website, I would like to thank you for taking time to read the College of Biblical Studies – Houston Annual Security Report. This report is prepared to communicate campus security statistics and policies and is also in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. We not only take the instruction and learning of God’s Word very seriously at CBS, but we also take the safety of our students, faculty, staff, and visitors very seriously. This report provides evidence of this seriousness and also affirms the outcomes, which is a safe campus environment for the study of God’s Word.
