

Summary of CBS Statement on the Definition of Marriage

The College of Biblical Studies appreciates and values God's gift of marriage between man and woman that God created in His own image. As a Bible College committed to providing our students with a biblical worldview, CBS fully believes what the Bible says about marriage and operates according to that faith commitment. The definition of marriage provided by Jesus includes several important truths that CBS expects all board members, faculty members, students and staff to value and abide by: 1) Marriage is a covenant designed by God (19:4b). 2) This biblical definition of marriage is not conditioned by culture or personal perspective but decided by God from the beginning and expected to continue until eternity (v. 4b). 3) Marriage is intended to be between one man and one woman as God biologically created them male and female at birth (v. 4b). Hence, any other proposals for marriage are outside of God's intended design.
